

# AASHTO

## This year's two-day

**conference** will consist of a range of government, industry, and U.S. congressional staff informing the committee on federal mandates, market trends and House and Senate legislative updates. Several key topics will also include length limits for saddle-mount vehicles, weight exemptions for auxiliary power units (APUs), bus axle load limit exemptions, improving efficiency in freight movement, and discussion on the AASHTO Freight Bottom Line Report.

A block of rooms has been set aside, please indicate you are registering under the AASHTO Subcommittee on Highway Transport. Each attendee must make his/her own reservation by January 11, 2008 to receive the special rate of \$188 for a single/double occupancy room. Contact: Andrea Ryan, [ryan@aaashto.org](mailto:ryan@aaashto.org), or at (202) 624-5804.

Online registration ends **February 8, 2008**. After this date, registration will only be accepted by faxing a completed registration form to 202-624-5806.
